14.martello alley is unusual. can you explain what it is about? what is martello alley about? whats martello alley? whats martello alley about? how did you conceive Martello Alley? what is the story behind Martello Alley?

i tried to make martello alley an immersive art experience. it's actually a combination of three places that inspired me: la rue du tresor in quebec, because it has an art alley and is french, epcot centre at walt disney world because

you can see businesses here, but they are, in fact, facades, and mont tremblant, because of the bright and colourful paint on the walls.

15. you are selling coins. what are they? do you sell coins? what are the coins? tell me about the coins? what are the coins you sell? tell me about the coins you sell? selling coins?

every year since we started in 2015, i designed and issued a commemorative coin. on one side it says, in french, creativity takes courage, which is a quote by henri matisse. the other side features a design that changes each year. each coin has a value of \$20 and is redeemable at face value in our stores. they are beautiful keepsakes too and are a terrific way to show your support for our galleries.

16. do you sell gift cards and gift certificates? gift card? gift cards? gift certificates?do you sell gift cards? do you sell gift certificates?

we sell gift cards and gift certificates. they can be used to purchase in-store and online.

17. i cannot visit soon but i would like to see what you have. is everything you sell online? is everything you sell online,can i purchase art online?

yes, everything in the store, and more, is available for purchase online. we also have an interactive 3d virtual tour of both stores. just choose virtual shop from the menu.
